Hurricanes 2006

Hurricanes become 2005 State Champion Runner Up.

The 2005 season for the Hurricanes had quite a surprising ending. Ranked 9th in the state of Pennsylvania, the 'canes were not expected to get through the first day of the state tournament. Against all odds the team stayed strong and defeated both the 3rd and 5th place teams in the tournament. The second day of the tournament proved to be just as exciting for the hurricanes as they defeated the team ranked 1st in the tournament in the semi-final match. Though the team did not win the championship game, they still proved themselves as a true force to be reckoned with.

2005 State Champion Runner Up

2006 Hurricanes take 5th place in Pennsylvania State Tournament.

After a very exciting completion of the 2005 season, the Hurricanes were going to have to prove themselves in 2006. Going against many rumors saying that the 2005 season was a fluke, the team had to work especially hard to prove themselves. The season had a few bumps and bruises but overall the team managed to be top 10 in the state again, and finish in 5th place.
